**F026021      Sickles v. Memorial Hospital Association et al.**

The orders appealed from are each affirmed. Because respondents are as culpable as appellant in not recognizing the dispositive jurisdictional issue presented by appellant's attempt to obtain review of the orders denying defendants' respective motions for summary judgment, each party will justly suffer the expenses associated with its almost entirely irrelevant briefing by bearing its own costs on appeal. Dibiaso, Acting P.J.

We concur: Vartabedian, J.; Buckley, J.
